Hi Tom,

GovSci is having problems with the quote because of the \$700 refund. Can we order directly from Agilent.

Thanks,

Hi James,

Can you order directly from Agilent? Since they are given you a credit of \$701.00 but not showing it on the quote I feel a little nervous about moving forward. Let me know if you have any suggestions.

Hi Jeannie,

I need a quote from Agilent for vacuum pump part #G3170-80025. Attached is a quote I received today from Agilent for the vacuum pump we need, I don't know if you can use it. We will be retuning old pump for a \$701.00 credit. So when pump is ordered you must inform them of the return so appropriate packaging material will be sent to us.

Thanks,
